Vol. 6, Issue 1

Nuckolls Society Newsletter

Sept. , 1999

**Nuckolls Kindred
Worldwide**

1999 -The Year of the Book!

The Society is collecting the final information for submission to the 2nd Edition of the book, **FIRST VIRGINIA NUCKOLLS AND KINDRED**. Those who have access to the Internet, the current database is uploaded at this web-site:

<http://genweb.net/~nuck141/Nuckolls.html>

You must type the line just as you see it in order to arrive at the correct site. All efforts are being made to correct the original book.

To NKW Society members only, the book will be updated with the families that have submitted their data and are current on their dues.

Please note the source of your information on births, deaths and marriages. If you took your records from census records, etc., please make a notation of that. The book will only be as accurate and the data submitted.

We are currently including old pictures. Every effort is being made to scan the images and place them in their appropriate place for inclusion in the book.

We have found a book printer who will charge us by the page with an additional charge for the binding. They specialize in 'short order' books. The page price will be \$.05-.04/page, depending on the quantity we order and the paper we request (we have both 50-lb. white and 60-lb. soft white available, both acid-free), plus between \$5.95-6.95 each for archival-quality hardcover bindings. Softcover is available at .50-1.00 each. Currently the book without pictures is running approximately 350-400 pages.

To reserve a copy, if you would like to be put on a list to be notified when the book is finished, please contact Sandi. Her address is on the last page of this newsletter. You can reserve as many copies as you like. We will ask for payment when the book company takes or order. At that time the price will be given. Delivery time is 6-10 weeks from that point.

I don't have to tell you how exciting this is to see our dream come true. I think Bertha would be proud.

The Society has suffered some setbacks in the first part of this year due to illness of some of the leaders but now we're back on track to complete the job.

Join us for this exciting year!

Branches of our Family Tree

CONFEDERATE SERVICE

This is probably not all of the family members that served in the War Between The States but is surely a good representation. If you have an ancestor that you have identified that you would like to include in this list, please submit that name and his unit information to us.

If space permits perhaps a listing in the new book would be nice.

In future issues, I hope to assemble and submit the family members that served in the Union Army.

DEDICATION

Louise PULLEN NIEDERMAIER

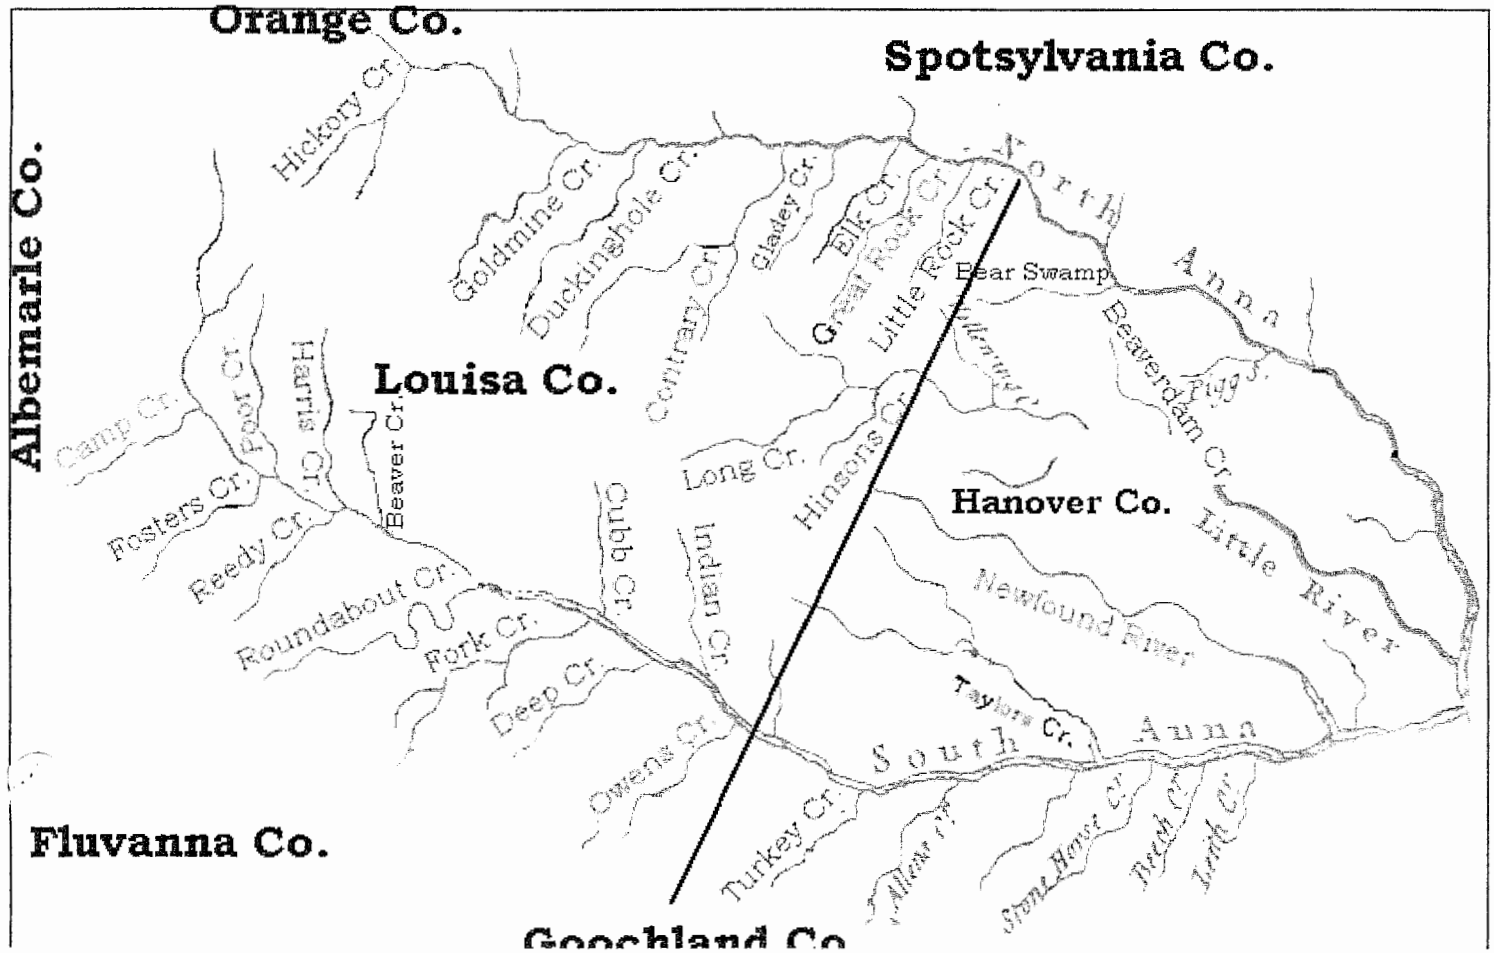

Louise is 93 years young and lives in Dallas, TX. I wrote her last year when I found her name in the Whitfield Co. Georgia Historical Society files. She was listed as a Nuckolls researcher. I contacted her and learned of her vast collection concerning the surname of NUCKOLLS. She shared her information with me and contributed greatly to the line of the descendants of Thomas NUCKOLLS, son of James C. NUCKOLLS b. 1695. Louise has an impressive pedigree which includes her membership in the DAR, Colonial Dames and other fine genealogical organizations. I dedicate this issue to a wonderful cousin that I have enjoyed communicating with.
