Obediah KNUCKLES and Overton NUCKLES

For years the descendants of these two men have baffled researchers and I began a personal quest last year to help solve this mystery. Although not directly from this line, I have the genealogy “gene” in my blood and I just cant sleep with unsolved mysteries. I would never make a CSI or homicide detective, because I get so personally involved and it affects my life. Many countless sleepless nights I have had for several months now over Overton and Obediah Knuckles.

It stems from a conversation I had with Richard Gault who has been claiming for years that Obediah Knuckles and Overton Nuckles are one and the same person. He touts that “no one will listen to him” as he has all of the documentation to prove his claim. However after promising the alleged “documents” to Zenas Knuckles for over a year, and to Devon Knuckles, and to myself, he has failed to produce any evidence.

I wish that the next update of the book to be as accurate as possible, so it remains an utmost priority for me to document this line to the best of my professional ability.

I I tended to believe Mr Gault, as the children of both were fitting “seemingly” into the age brackets in the census records; However, I somehow believed that they were indeed 2 different individuals. So, I have taken the time to write a research paper on these events and I will publish it in this newsletter, as well as publish it in the new publication of the book. I have a timeline, and census records. I set aside 2 categories of the facts “for” and “against”. It is overwhelming for one side. As a professional researcher, I have to maintain the integrity of the evidence to support the facts.

If by any chance, in the future that Mr Gault provides the proper documentation to support a conclusion, I will “re-open” this cold-case again and evaluate my findings. I will then have either rebuttal evidence or confirming evidence. Until then, I have to use acceptable evidential procedures for genealogy research.

So, as you wait on “pins and needles” for the report, I urge you to assist in any way you can by sending me “family lore”, statistical data that we do not already have and any other helpful tidbits which may help my investigation. The results will be published in the next newsletter.

Notice I don’t tell you what I found...(grin)

POTTY MOUTH

Davenport Daily Gazette (Davenport, Iowa) Feb 25 1860 Using Seditious Language- The Virginia Sentinel of Feb 14th says.. "A man by the name of Nuckles, living near Pedlar Mills, Amherst County, was taken to a pond on last Thursday by a party of citizens and ducked, in consequence of his having used seditious language. He afterwards procured a warrant for the arrest of the parties who inflicted this summary punishment for him, but instead of the warrant being executed, the magistrate who issued it narrowly escaped a ducking himself"

9/10/2004 Bellingham Herald, Bellingham, Wa

Dorothy Irene (Kerr) Nuckolls, age 81, went home to be with her Lord on Monday, September 6, 2004. She was born July 21, 1923 to Clyde and Vera Kerr. Dottie graduated from Albion Nebraska High School and worked for Western Union in Chicago and Omaha as a telegraph operator. She married her beloved Kenneth Nuckolls on Dec. 9, 1945.

Over the years, Dottie served her community in many organizations: as a deacon at Birchwood Presbyterian Church, president of the Bellingham Music Club, president of Bellingham Kiwanians, president of Whatcom County Republican Women's Club and as a Whatcom County Museum docent. Dottie was ever the gracious hostess, the loving supporter, the kindest friend, and devoted grandparent. We love you Mom and you will be missed greatly by everyone.

Dottie is survived by Ken, her husband of 59 years; her daughter Ellen Rickis (Al) of Aloha,

OR; her son Russ Nuckolls (Mary) of Bellingham; daughter Sara Nuckolls of Bellingham; grandchildren: Kenny and Chris (Christine) Rickis, Jacob, Seth and Marcus Nuckolls, and Logan Kerr; great-grandchildren: Camille, Claire and Collin Rickis; her sister Betty Kerr Michael; and numerous nieces and nephews. She is preceded in death by her parents and her grandson, Joseph Paul Nuckolls.

A celebration of her life will be held at Birchwood Presbyterian Church on Tuesday, September 14th at 2:00 p.m. Memorials may be made to the Lighthouse Mission & Birchwood Presbyterian Church.

A call to Kenneth Nuckolls confirmed his descendancy from Wythe Kohler Nuckolls and Edmonia Mae Barnhardt. He is thru the line of nathaniel Nuckolls and Patsy Towler. Kenneth was was also happy to get his family tree and at the same time I was able to research his wife's family line prior to 1800.

BOOK REPRINT UPDATE

I am making an effort to try and republish the book with updated information on connections that have been found since the last publication, as well as updated lineage.

If your family line was not included in the first book please contact me directly at Evilsizer3@aol.com so that I will be sure to include your line.

So far, the new edition has 500 pages, which is already a good size. Each ancestor line will begin with a description of where they appeared in the original book. The page number, as well as individual numerical ID number.

Also contact me if you wish to buy the new edition so I can get a feel for how many I will need to print.
