COMING NEXT ISSUE

It has been assumed by family lore that John Knuckles, son of Bobby and Margaret Hendrickson Knuckles died young of TB since it ran in his family and he could not be found beyond the 1880 census. He married first Martha Hoskins in 1871 and had a child Benjamin Franklin Knuckles who had many descendants in Bell Co, KY. When I saw Benjamin's WWI Draft Registration, it named his next of kin as John Knuckles in Madison Indiana. This began my search which resulted in finding a John Knuckles in Madison Indiana in the census records for unknown's. My search turned up many marriages and many children and several deeds. The new information will be in the next issue of the newsletter. It also led to uncovering the identity of Martha Hoskins second husband. We were thrown off the track for years because the 1880 Census records were not clear enough to make out the surname.

For those of you who received the "Obediah Overton Nuckols" book as a supplement to the First Virginia Nuckolls & Kindred Addendum, I will be happy to send the genealogy report to add to your records. All you have to do is request it.
